RELIGION

Southern provides students of different faiths the opportunity of worshipping through organizations and activities on and off campus. These include dormitory bible studies, campus prayer meetings and dinners, transportation to Hattiesburg-area churches, and organizations such as Campus Crusade for Christ, The Baptist Student Union, The Love, Salvation, and Determination Choir, Halleujah Way, and The Newman Club. Through these clubs and activities students at Southern are able to contribute services to USM as well as improve themselves.

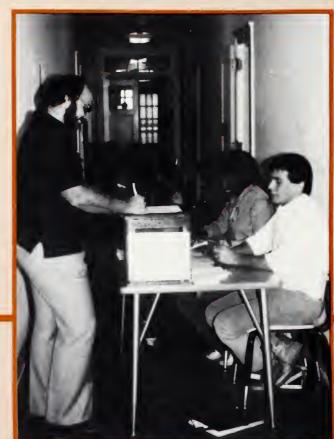

THE PEOPLE'S CHOICE

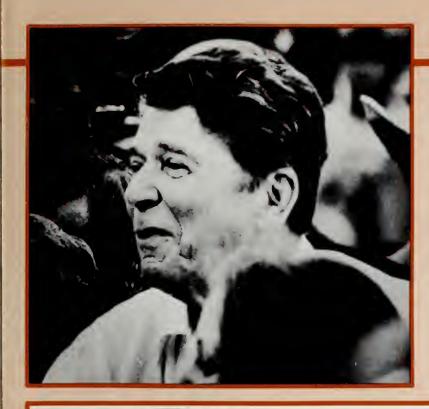

Being an election year, USM students had to make a choice. Would it be President Carter or Ronald Reagan? In a mock election held on campus Ronald Reagan came out with a large lead. On November 4, 1980, Reagan was victorious again. It seems that Americans were ready for a change. USM students were not only able to choose who they wanted as president of the U.S., but on campus they were asked to make another choice. Elections were held for ASB Senate and other campus positions. Candidates could be seen around campus campaigning for each office. USM's Associated Student Body operates in the same manner as our national government; thus, preparing students for the future.

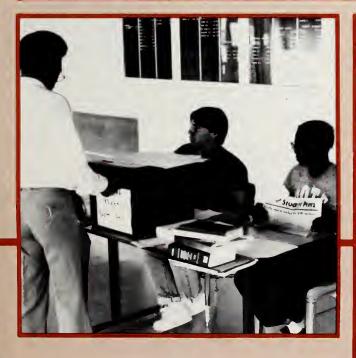

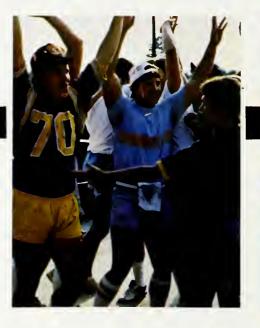

LEISURE

When students get a break from studying, their outside interests take on many different faces. Activities range from social, to athletic, to service, and to down-right entertaining. These functions offer the student the chance to meet new people and become involved. Being involved helps students to really grasp the "Southern Experience." A big asset at Southern is the tremendous bunch of people who make USM the university that it is by offering an environment where the student can grow and mature into a responsible, caring person.

... EDUCATION

For all the reasons you go to college . . . the main one being education . . . USM offers that strong educational background which is respected throughout Mississippi and the South, while gaining respect throughout the country. Southern's wide range of curriculum coupled with a highly qualified and competent staff insures a strong, stable learning environment. Here the students learn to deal with today and tomorrow, while earning their place in society.

Having ten schools and colleges, USM offers something for everyone. Some major areas are, fine arts, computer science, dietetics, polymer science and nursing. These are but a few choices that could be made from a huge selection of majors.

Not only is Southern's undergraduate program well-rounded, but its graduate program is becoming more outstanding every year. This can be seen by increased enrollment and expanding curriculum. Yes, it is definitely Southern for quality education.

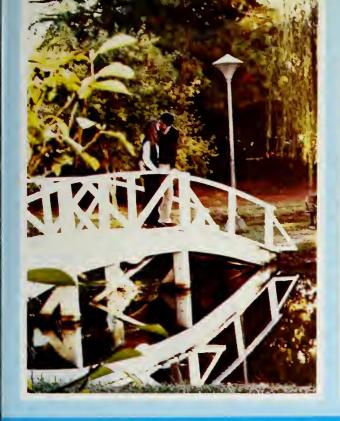

. . . LOVE

It is a well known fact that times spent at college produce many romantic relationships. This can be seen all over campus with couples walking hand-in-hand and passing affectionate glances. Some of these relationships come and go, but for many couples they are long-lasting. Much can be learned from every encounter whether it is good or bad; therefore they fit into USM's educational atmosphere. The MRS degree may not be sought by as many female students as in the past, due to more career minded women, but the essence of love is ever present.

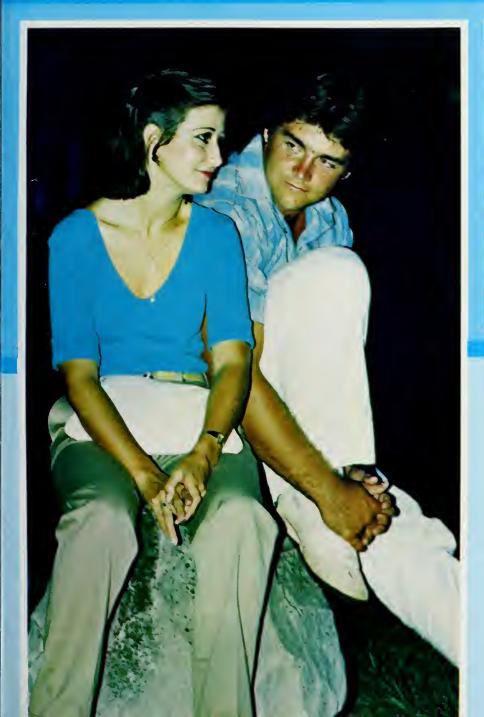

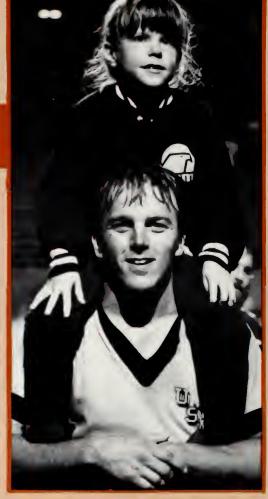

.. Future

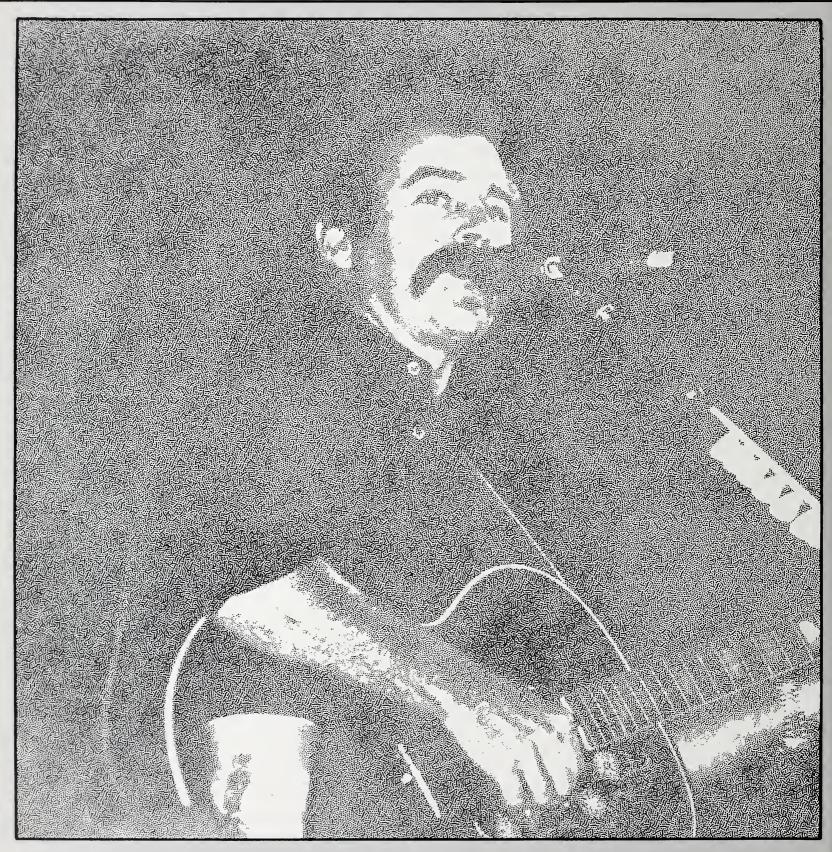

The future of America depends upon the children. Already in our society are the children who will be the builders of tomorrow.

A background of good education in which children begin to learn and become aware of the changing world and it's needs is important. Morals, values, and goals must be taught and set in order to be achieved later in life. College continues this teaching process and provides an atmosphere so that education may be brought much more closely in touch with everyday life. Practical education is a thing of the past. And here, at USM, real education is that of the life experience. It offers a place to live, eat, work, learn, and prepare for the world of making a living.

In the future, USM will offer even better things to the generations of students to come. Those students are the children of today.

He has set up a private company, Genetech, to find practical commercial uses for this discovery. Dr. Boyer feels that most of the fear and criticism of DNA research and genetic engineering is unawarded in view of the numerous safeguards imposed in this field of research.

THE SPOOKS ARE LOOSE

Witches and ghosts, goblins and monsters, could be found all over the USM Campus on October 30. Many of them were students, faculty, and Hattiesburg area children, all coming out to celebrate Halloween. People gathered in the RC Cook Union or at Elam Arms for the fun and games offered at the annual Halloween Carnival. Costumes ranged from television and movie characters and S&M artists, to the traditional witches and scary faces. Resident halls, Greek societies and other campus organizations were on hand to give out Halloween goodies to the trick or treaters. Halloween is traditionally reserved for playing tricks, but at USM, it's a real treat.

The "Era of the Eagle" is upon us now at USM and it was especially apparent on November 1, 1980. This year's homecoming was the largest turnout ever with approximately 25% more alumni than last year. There was more participation in everything than ever before.

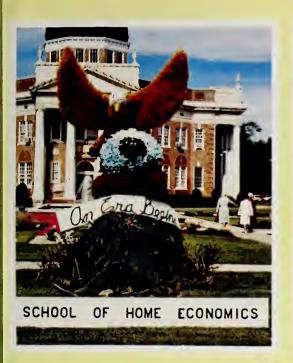

Colorful and decorative displays, each pertaining to this year's theme "1980's: Era of the Eagle" were campus wide. In the display competition, Sigma Alpha Epsilon stole the overall title with their work of art, "When it comes to playing the cards, we've got the winning hand." Under the category of beauty, Delta Zeta placed first among the sororities and Sigma Alpha Epsilon

seized first in the fraternity division. Others taking top honors in beauty were Bolton Hall and Delta Sigma Pi. Kappa Delta and Phi Kappa Tau received first place honors in the originality category along with Mississippi Hall and the Art Education Club. Titles of first place in the theme division were received by Chi Omega, Sigma Chi Sigma, Roberts Hall and the Wesley Foundation with such catchy displays as "Era of the Eagle" and "Eagles: The only bird of the 80's."

We hope this year's homecoming success is an indication that with the help of the pride and spirit of the USM students the decade to come will truly be an "Era of the Eagle."

Eagles Ride the Wave For Revenge

USM's Golden Eagles opened their 1980 season in New Orleans' Superdome, riding the Tulane Green Wave to a 17-14 victory. The Big Gold performed before a Superdome crowd of 44,698 on regional television.

USM kicked off the first quarter and after five plays, Tulane was forced to punt, but the Wave came back after a USM fumble with a field goal and a 3-0 lead. Tulane scored a second field goal the following quarter to put the Wave ahead 6-0. The Eagles were forced to punt early in the 3rd quarter and the Green Wave drove the ball in for a touchdown. After a two

point conversion, Tulane led 12-0.

Despite the dismal scene, the Eagles refused to give up. Their determination paid off when Ricky Floyd carried the ball in for USM's first touchdown. The extra point attempt was wide, leaving the 3rd quarter score 14-6. The Nasty Bunch got "nastier" in the fourth quarter and forced the Wave to punt. The Other Bunch took over and scored once again as Reggie Collier threw a 10 yard pass to Marvin Harvey. Harvey was hit again for the 2 pt. conversion. The game was tied 14-14. With 21 seconds left on the clock, Winston Walker came in and kicked a 36 yard field goal. The Eagles took the revenge they came for with a winning score 17-14. Once again a fourth quarter field goal determined the outcome of a USM-Tulane game.

USM Wins Big for First Home Game

Quarterback Reggie Collier hit 9 of 12 passes to help the Eagles gain their second victory of the season, defeating the Louisiana Tech Bulldogs. It was an impressive first home game for the Golden Eagles. Collier amassed 142 yds. total offense to lead the squad to a 38-11 victory.

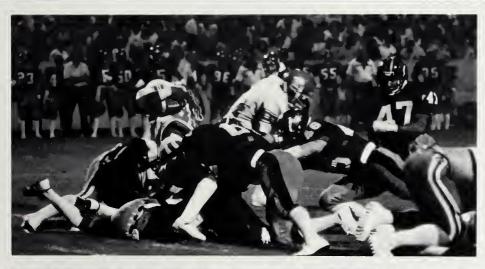

USM set the pace of the game early in the first quarter as Sammy Winder carried the ball in for the first touchdown. Winston Walker added the extra point and the Eagles led 7-0. Walker came back and kicked a field goal, moving the score up 10-0. The Bulldogs put their first points on the board with a field goal in the second quarter. The Eagles struck back with a touchdown pass to Marvin Harvey and a PAT. The scoreboard read 17-3. The Other Bunch added more points to the board late in the third guarter with a touchdown pass from Collier to

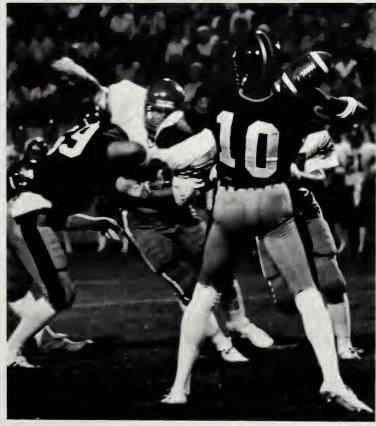

Don Horn. Walker once again kicked the extra point, making the score 24-3.

Winder went in with a touchdown early in the fourth quarter. The PAT put USM ahead 31-3. The Bulldogs refused to admit defeat and drove the ball in for their first touchdown of the evening. A two-point conversion put the score at 31-11. Joey Hendrix recovered a La. Tech fumble in the end zone for another USM touchdown. Walker added the final point of the game and the Golden Eagles had their second big win . . . with more to follow.

Eagle Fever Spreads to East

Carolina

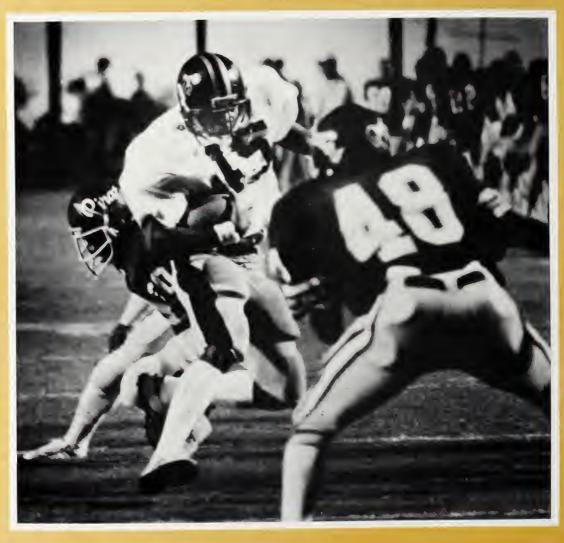

The undefeated Eagles left their mark in Greenville, N.C., downing the East Carolina Pirates 35-7. The Eagles' offense was led by the running of Sammy Winder who scored three touchdowns in the game. Nasty Bunch put a hold on the Pirates' offense, only allowing them 197 yds.

USM took an early lead of 7-0 with a Winder touchdown and Winston Walker, adding the extra point. A 2 yard touchdown pass to Marvin Harvey and the point after upped the score to 14-0 in the second quarter. The score remained the same at the half but the Pirates came back in the third quarter to score their only touchdown of the game. The PAT was good and the scoreboard read 14-7. USM struck back in the fourth quarter to prove they had only been warming up. Winder took the ball in for his second touchdown. The point after put the score 21-7. The Big Gold, not satisfied with this commanding lead, upped the score to 28-7 as Winder once again ran the ball in for another touchdown. Rhett Whitley blocked an ECU punt and Robert Phillips carried the ball in for USM's final touchdown. The PAT ended the night's scoring and the Eagles had their third victory of the season.

Ole Miss Bites the Dust!

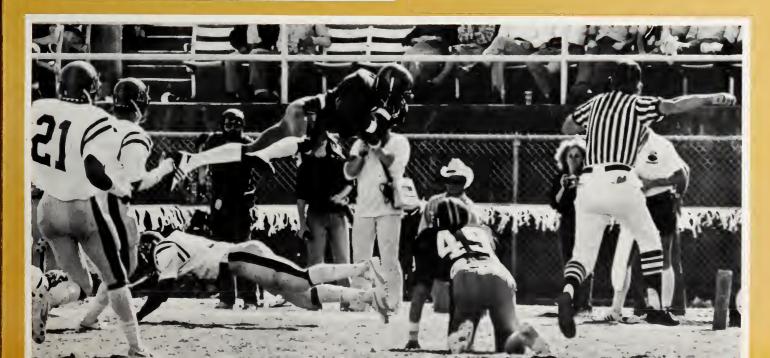

The Ole Miss Rebels will never be the same again after the beating they received from the Golden Eagles. The Eagles played one of their best games ever as they brought the Rebels to their knees 28-22.

Ole Miss received the opening kickoff and drove the ball in for their first touchdown, taking a 7-0 lead. Ole Miss struck again early in the second quarter, moving the score up to 14-0. Not to be outdone, the Eagles put their first points on the board with a one-yard run by Sammy Winder. Winston Walker kicked the point after to make the score 14-7. The score was tied later in the quarter as Reggie Collier threw a 62-yd. pass to Don Horn who took it in untouched by the Rebel defense. The half ended with the two teams still tied. USM decided to change the scoreboard reading at the beginning of the second half. Collier and Winder teamed up again for another touchdown. Walker booted the PAT and the Eagles soared ahead. The score remained 21-14 throughout the third quarter. Winder put more points on the board in the fourth with a one-yard touchdown leap. Walker added his final extra point. USM now led 28-14. Ole Miss tried to retaliate with another touchdown. After a two-point conversion, the Eagles still came out on top. As the crowd left Memorial Stadium, Southern fans were definitely heard as they chanted, "Hoddy Toddy, Gosh Almighty! When's Ole Miss gonna beat somebody?".

Bulldogs Blitzed . . . Eagles Retain State Title

Although the Eagles went into the game with a 4-0 record, no one thought that the Eagles would completely dominate the game! USM scored first on the opening kickoff, marching 80 yards in 12 plays culminating in a 26 yard pass from Reggie Collier to Ricky Floyd for the score. The seven minute drive was the only score of the first quarter. The only score of the second quarter was brought about by a fumble recovery by Chuck Cook. Sammy Winder took it in for the first of his 3 touchdowns that day. The Bulldog Blitz was held scoreless the first half by the overpowering Nasty Bunch. The third quarter action opened with a State fumble recovered by Cliff Lewis. Six plays later Winder scored his second TD, making the score 21-0. Finally State scored on a run by Mardye McDole bringing the score to 21-7. That score was almost immediately answered for with a great touchdown run by Mike Woodard for 67 yards. An exciting third quarter ended with the score 28-7. State was allowed only one more score in the fourth quarter. The touchdown was soon forgotten when Reggie Collier ran a sweep 53 yards for a Southern TD only 2 minutes after State's. Their homecoming ruined, State fans were clearing the stadium as Hanford Dixon intercepted a pass, thus allowing Winder to score his 3rd TD. Winston Walker put the extra point thru making his days work a perfect 5-0. USM stomped the Bulldogs once again for the State Championship.

Arkansas State Believes

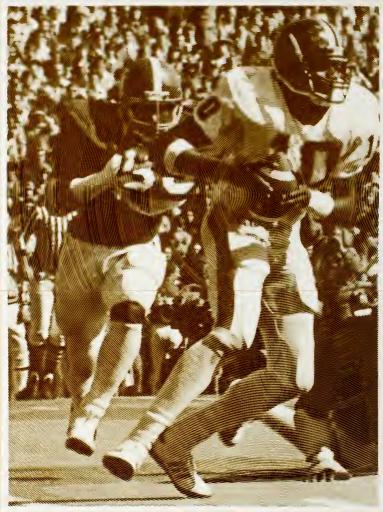

A rain soaked crowd of 31,915 watched the Golden Eagles crush the Arkansas State Indians with a 35-0 shutout. Despite the poor weather conditions, the Nasty Bunch throttled the Indians, allowing them only 19 yards total offense. The Eagles opened the scoring early in the first quarter with a touchdown run by Ricky Floyd. The score remained 6-0 as the point after attempt failed. Sammy Winder pushed the score up with his twelfth touchdown of the season, tying the USM record for touchdown rushing. The two point conversion was successful and the quarter ended with a 14-0 score. In the 2nd quarter Reggie Collier drove the ball in for the third touchdown of the evening. The PAT gave USM a 21-0 halftime lead. The Eagles scored again late in the third quarter, and Winder set a new record with his thirteenth touchdown of the season. The extra point gave the Eagles a 28-0 lead. The Eagles were riding high into the fourth quarter. Ricky Floyd scored his second touchdown of the night and the point after closed the game's scoring, giving the Eagles an impressive win and their first ever national recognition, earning a 20th ranking.

Alabama Ends Eagles' Winning Streak

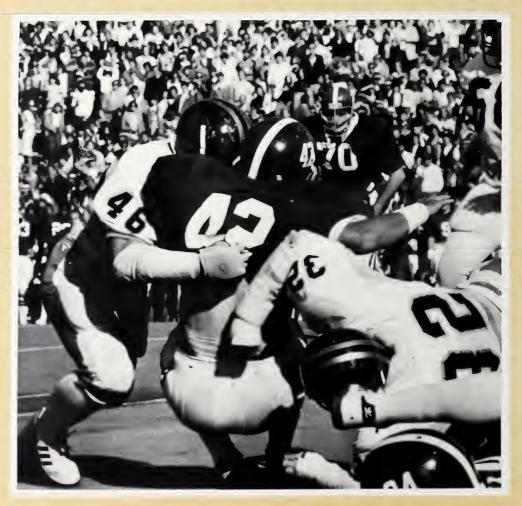

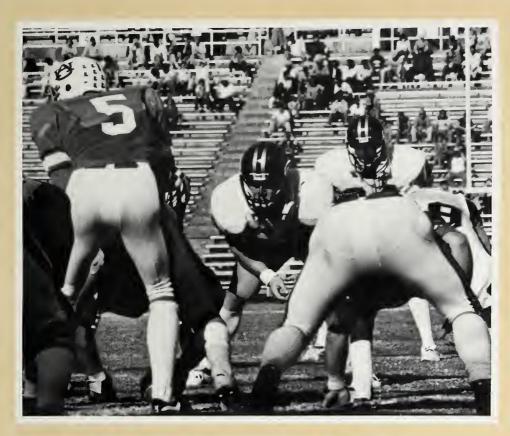

The Alabama Crimson Tide put an end to the Golden Eagles' winning streak and shattered all hopes for an undefeated season. The no. 1 ranked Tide gained their 28th consecutive win as they crushed the Eagles 42-7.

Alabama scored the first points of the day late in the first quarter. The Eagles came back to tie the game with a Sammy Winder touchdown and the extra point added by Winston Walker. The score remained 7-7 until the Tide recovered a fumble by USM in the second quarter and scored again. The PAT brought the score to 14-7. Alabama struck once more before the half ended, gaining a sound 21-7 lead. The Eagles' luck seemed to run short in the third quarter as another USM fumble gave the Tide an additional touchdown. The scoreboard read 28-7. Alabama added two more touchdowns before the game ended for their winning score of 42-7.

An Auburn Defect Drops USM to 7-2

For the second time in the season, the Eagles faced defeat in a disappointing 31-0 shutout by the Auburn Tigers. The Auburn defense only allowed USM to complete 12 passes out of 41 attempts as they amassed 471 yards total offense.

The Tigers set the pattern early in the game and by half-time took a dominating 21-0 lead. Auburn continued their pace in the second half and moved the score up to 28-0. A third quarter field goal gave the Tigers their final points of the day. Auburn's victory dropped the Eagles' record to 7-2 for the season.

Richmond

Eagle fans watched the Richmond Spiders crawl to a 33-12 defeat as the Golden Eagles secured a spot in the postseason Independence Bowl.

Richmond pulled out an early 3-0 lead in the first quarter but the Big Gold worked fast to tie the game 3-3. In the second quarter, USM added another Winston Walker field goal to lead 6-3. The Spiders tied the score once again with another field goal, bringing the half-time score to 6-6. In the third quarter, Sammy Winder took the ball in for the first touchdown of the game. The PAT attempt was no good and USM took a 12-6 lead. Richmond tied the game once more with a touchdown run. The Eagles changed the scoreboard to 19-12 soon afterwards with another Winder touchdown and the point after by Walker. Winder came back late in the third quarter to add his third touchdown. Walker's PAT was good and the score jumped up to 26-12. The Eagles put more points on the board in the fourth quarter. Ricky Floyd threw a halfback pass to Mike Livings in the endzone and Walker booted the extra point, giving the Golden Eagles their winning score of 33-12.

Season Ends With Disappointment

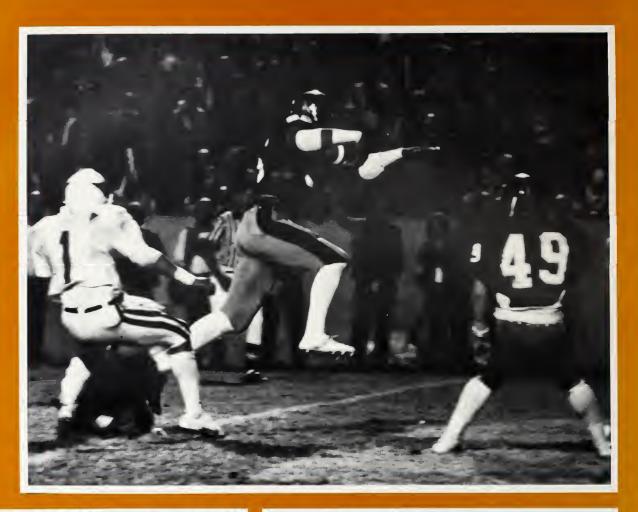

USM's season finale proved to be a disappointing experience for the Golden Eagles as the Louisville Cardinals took a 6-3 edge.

A Louisville field goal opened the scoring in the first quarter and gave the Cardinals a 3-0 lead. USM came back in the second quarter to tie the game 3-3 with a 36 yard field goal by Winston Walker. The scoreboard remained tied at the half. The beginning of the third quarter brought about penalties against both teams on one play. This quarter was scoreless. The Cardinals put their final points on the board in the fourth quarter after recovering an Eagle fumble. A field goal gave Louisville their winning margin of 6-3.

Golden Eagles Stomp Cardinals for Homecoming Victory

The Eagles upped their record to 7-1 as they caged the Lamar Cardinals for a 36-10 homecoming win. Sammy Winder, the nation's leading scorer, led the Eagles to victory while setting a new USM record with 17 touchdowns for the season.

The Cardinals jumped out with a 3-0 lead in the first quarter with a field goal. Lamar maintained its lead until Winder carried the ball in for a touchdown. The PAT by Winston Walker put the Eagles in front 7-3 in the second quarter. USM threatened again with a field goal but the attempt failed. The score remained 7-3 at halftime. The game picked up during the second half as Walker booted a successful field goal, moving the score up 10-3. Later in the third quarter, Winder gained his

second touchdown but the point after was no good. The Eagles held their lead 16-3. Lamar recovered a fumble and scored on a touchdown pass which was the first of the season against the Nasty Bunch. The Cardinals added a PAT to bring the score to 16-10. The Big Gold struck back as Clemon Terrel scored another touchdown for USM. The two-point conversion failed but the score remained in USM's favor 22-10. Chuck Cook intercepted a Lamar pass. The Other Bunch took over and Collier threw a touchdown pass to Raymond Powell. Walker's PAT pushed the score up to 29-10. Winder came back to score the final touchdown and Walker once again kicked the extra

Independence

Bowl

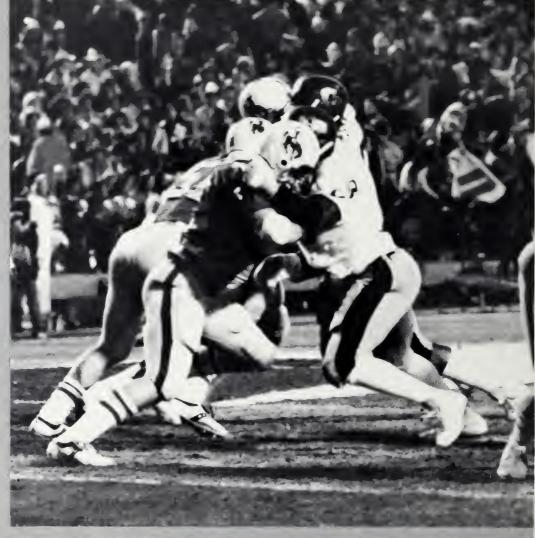

This season has proved to be one of the best in the Eagles' history. They ended the season with a winning record of 9-3, they were "state champs", and played in the Independence Bowl. All of the long hard workouts earlier this year seemed to be worth it when they came home with the Independence Bowl victory.

The Eagles had taken a lead of 10-0 in the first quarter, but the McNeese State Cowboys took control in the second and third quarters. The score was now 14-10 and from then on, the Cowboys moved the ball at will and especially on third down situations.

In the last two minutes of the game, the Cowboys fumbled on their seven. The Eagles recovered the ball and ran with it for six yards in three downs. The Eagles faced a fourth down and goal to go on the Cowboys one with 1:17 left in the game. The call was to let Sammy Winder do his thing. Reggie Collier faked to Winder and pitched wide left to fullback Mike Woodard. The results: an easy touchdown and a 16-14 victory over McNeese State. This was USM's first bowl victory in five tries.

M.K. Turk, Head Coach

Head coach M.K. Turk's Golden Eagle basketball team started off the season on a winning note. In the first game of the season played at Reed Green Coliseum, the Eagles defeated the University of Southwestern with a score of 72 to 67. Followed by wins over Eastern Kentucky with a score of 82 to 74, and the University of Oklahoma with the score of 74 to 66.

In an exciting game against Mississippi State Joe Dawson and Ronald Jackson both scored 15 points for their team enabling the Eagles to win the game 68 to 53. In another exciting game played at Marquette University, Ronald Jackson scored 24 points and made 18 rebounds with the Eagles winning the game 84 to 74. A close game played at Pan American University saw Eddie Jiles score 20 points for the Eagles as they won the game by one point, 68 to 67.

The Eagles' overall record at year-book presstime is a winning 16-5. Although there were a few upsets the Eagles still have a chance to beat Memphis State a team who beat the Eagles at the Memphis Coliseum with a score of 70 to 65. Along with Memphis State the Eagles have four more games in their regular season, one of these being Tulane who the Eagles defeated at home with a record crowd of 8,237 fans watching.

Kay James, Head Coach

Laura Porciello, Assistant Coach

Coach Kay James and the Lady Golden Eagles have had a winning season with a record of 17 wins and 5 loses and have only three games left in the regular season. Nancy Faulk scored 19 points in the game against Tulane with the Lady Eagles winning 81 to 65. Another victory came in against the Crimson Tide of Alabama played in Reed Green Coliseum with the Lady Eagles winning the game 75 to 73. In an exciting game against Louisiana State University, freshman Joy Lee scored 24 points as the team won by the score of 87 to 70.

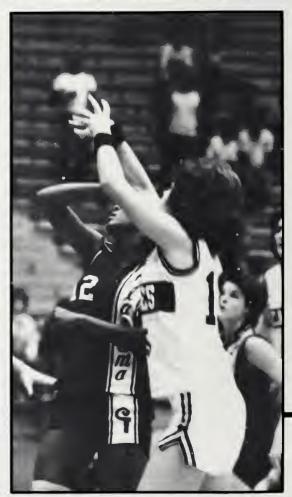

The Lady Eagles' winning credit goes to the experience of the returning members, the potential of the new members and the lack of injuries the team has had in the past. Senior Nancy Faulk averaged 23.5 points a game making her the high scorer for the Lady Eagles and the entire state. She has scored 1,000 points in her career. Also with the experience of seniors Shirley Jones and Pam McCoy and the other team members it is easy to see why USM's ladies have had a great season.

Resurgence in interst in Golden Eagle football since Bobby Collins assumed command as head coach in 1975 has been remarkable. And as his sixth season at the helm approached it bordered on being phenomenal. It has been years since enthusiasm and just plain old fan spirit began exploding as early as the midway point of spring practice.

Collins promised an interesting team to watch and vowed to make an all-out effort to firmly establish USM as a major independent football power. He has lived up to both pledges.

In his five previous years he has gained and retained the confidence of the student body, faculty and staff members, alumni, and other old and new supporters of the Golden Eagles. Coach Collins feels that the invitation to the Independence Bowl shows the appreciation of the time and effort the players, the trainers, and coaching staff put in this season. They have in turn expressed confidence the program will continue to prosper under the leadership of the personable and dedicated young coach.

Rolling With The 86'S

Dr. Aubrey K. Lucas USM President

In 1974, Dr. Aubrey K. Lucas was selected as president of the University of Southern Mississippi. In his seven years here, he has become aware of the changing needs of students and of the university itself.

One of Lucas' first concerns of the 1980-1981 academic year was striving for the increase of salaries to faculty and administration. "By offering better salaries and benefits," said Lucas, "we will attract a better faculty, and this paves the way for a progressive university."

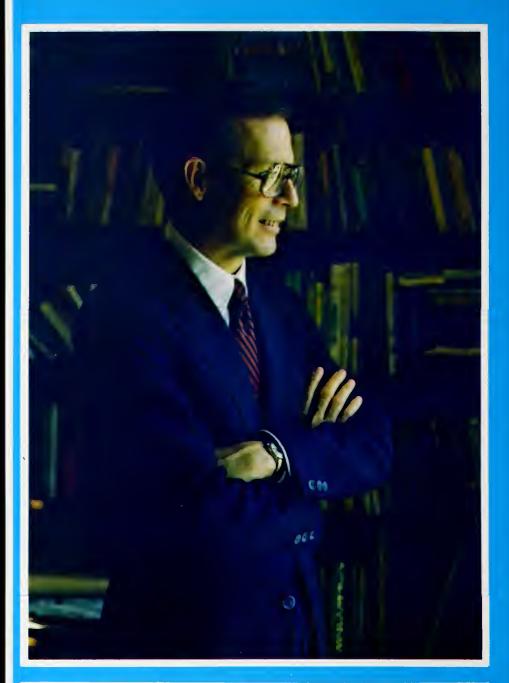

Through the years, there has been an increase in pride, better student-faculty relationships, and a large growth in student activities.

"Eagle Fever is pride, and pride in the total university," said Lucas. This is pride carried by each student. It is pride in academics, student life and in the university as a whole.

Dr. Lucas has observed a continuing drive for better student-faculty relationships. The faculty believes it is important to the educational process to be open with students. Through this, the teaching-learning process becomes easier and much more enjoyable.

The increased student activity has also been evident in recent years. There is much offered to the Southern student. Organizations range from social to academic, from religious to athletic. There is always something to do at Southern for those who wish to participate.

In the future, Dr. Lucas plans on continuing to adapt to the changes of the students and the university. He is proud to be associated with the University of Southern Mississippi.

BENNETT/BLACKENEY

SIGMA CHI SIGMA

In the spring of 1980, Sigma Chi Sigma fraternity was added to the greek system at USM. It was started by fifteen members who felt that there was a need for a new fraternity at Southern. Through taco suppers, car washes, dues, and the support of local alumni, they were able to raise enough money to buy a temporary house and have the needed funds to their national charter which they hope to receive early next fall.

Sigma Chi Sigma now has forty-one members, fourteen little sisters and is still growing. No time was wasted in their becoming a big part of USM's greek life.

SOUTHERN EXPOSURE

Southern Exposure, USM's song and dance troup, was revived following a two year absence after the group disbanded in 1978. Tim Breland of Laurel, MS organized and directed the group. Breland, a former member of the original Southern Exposure in 1975 wrote the group's show entitled "Celebration". The show is a salute to American popular music from the Mississippi River showboat era to today's Broadway.

The singers, dancers, musicians, and technicians of Southern Exposure traveled throughout Mississippi performing at high schools, conventions, and other functions. Members of the group include Keith Ballard, Steven Cralle, John Curtis, Tamara Fulton, Shari Grantham, Mike Hanaford, Karen Hargett, Kay Laughlin, Teresa Murphy, Greg Robinson, Jamie Satcher, Jack Saucier, James Stewart, Randy Stewart, Jerry Thorpe, Angela Trulsen, and Tim Breland.

Sponsored by Public Relations Southern Exposure represented USM around the state. Members like to think of themselves as goodwill ambassadors for the university, a unique style of public relations indeed.

In today's society there is an ever increasing demand for administrators that are ready to face new problems and challenges. The College of Business Administration, with its many departments such as Accounting, Economics, Management, Marketing, Finance and General Business, emphasizes problem solving and creative thinking.

The curriculum of the College of Business Administration begins with a solid liberal arts background and then continues with a diversified business core. Students graduating from USM with a degree in business are able to enter the business world with the ability to adapt to an ever-changing society.

USM began as a teachers college in 1910 when the University was known as Mississippi Normal College. Today, USM is still considered as one of the best teachers colleges in the South. The College of Education and Psychology believes it is their duty to train teachers to be creative and informed educators.

Students in the teacher certification

program receive practical training in their field of specialization. Teacher education graduates who feel that their talents can best be utilized in non-teaching human service fields leave USM well-equipped with the necessary attitudes and skills to acquire jobs outside the classroom. Career opportunities are limitless for both teaching and non-teaching degrees from USM.

Southern's College of Fine Arts is one of the most respected in the South. USM, with its large Fine Arts faculty, strives to prepare students for professional or teaching careers in one of the many branches of art, music, or theatre.

The department of music features a professional recording studio and thousands of records and tapes in a comprehensive music library. Students in this department are trained to be creative conductors, composers,

musicians, and singers.

Theatre majors are amazed by the diversity of activity in their field covering everything from construction of props to producing and directing.

The art department is devoted to teaching fine art and graphic communications concepts and stresses extensive practical training. The USM art gallery features at least eight shows annually.

Athletic Administration and Coaching Health Education Health Physical Education and Recreation Physical Education Recreation The School of Health, Physical Education, and Recreation offers a wide variety of majors. There are a large number of students specializing in fields such as outdoor recreation and elementary physical education.

There are four academic departments under the School of Health, Physical Education, and Recreation which are athletic administration and coaching, health, physical education, and recreation. All majors have certification and non-certification programs.

Practical experience is an important part of the training of the student. The students use their practical knowledge to benefit the community, in schools, rehabilitation centers, and recreation programs. USM also sponsors the annual Mississippi Special Olympics which is a state-wide program that allows mentally retarded children and adults to compete in sports and athletic activities.

The four departments of the School of Home Economics, Environmental Design, Family and Life Services, Institutional Administration, and Home Economics Education, place great emphasis on careers used to improve the quality of life.

USM has developed the best programs possible for all Home Economics majors. There are several courses of study that are available to help students gain practical experience in

their particular field. Examples of the practical aspect are the extensive coop program utilized by the Hotel and Restaurant Administration program and the annual field trip to the market in Dallas sponsored by the Environmental Design department.

The field of Home Economics is rapidly expanding for both men and women and USM is keeping pace with this competitive career world.

A Liberal Arts education widens the horizons and broadens the prospective of a student and encourages him to serve both society and their own self-interests productively and responsibly.

In the College of Liberal Arts many departments are involved in research and are funded by both public and private agencies. The Criminal Justice, Speech and Hearing, Geography, and Area Development departments are supported to a large extent by these grants. The grants make jobs available for students in their individual fields. USM offers many special and unique features in the College of Liberal Arts, such as the Creative Writing Center, where full time professors are available to help students create and publish their work.

A Liberal Arts degree assures students of a well-rounded education which will allow them to pursue a career in any specialized field.

Library Science

Modern librarianship is everything from small town librarians to highly specialized bibliographers involved in business and industry. The School of Library Science offers both teaching and non-teaching degree programs at the Bachelor's and Master's levels. USM encourages Library Science majors to specialize in another major before beginning their field training. The theory behind this idea is the fact that Library Science is a

combination of many different disciplines and a student must be knowledg-

able in many areas.

Students majoring in Library Science are taught to select, organize, and managee printed materials, films, tapes, art prints, and audio-visual equipment. Students are encouraged to gain practical knowledge about their field by using Southern's library facilities.

The School of Nursing at USM is nationally accredited and looked upon as one of the best training programs in the South. Nursing students receive excellent medical training and learn the importance of the patient self-care concept.

Through the use of the Skills Laboratory, students are taught practical nursing procedures. The curriculum combines all phases of the nursing field into practical learning and training situations.

At the Learning Center facilities, students can videotape themselves and their peers at work. By studying prerecorded lectures and demonstrations, students are also able to gain an indepth understanding of the field of nursing outside the classroom.

Graduates receive a BS in nursing and are eligible to take the State Board of Nursing Examination to become an RN. USM students find the nursing field very rewarding and exciting.

For 13 years the College of Science and Technology has worked hard to achieve the objectives of excellence in teaching, research, and service. USM's department has a young, but superior faculty and the most modern facilities. They are dedicated to helping solve the problems of today's world in all scientific areas.

The college offers a combination of traditional programs in science and technology and mathematics. There are 12 departments, 20 different majors, and 10 pre-professional programs available in this college. Some of their special features include learning labs, co-op programs, and student-assisted research projects.

Curriculum remains up to date, practical, and pertinent due to the industry advisory board. Graduates of USM in the College of Science and Technology are successful in careers throughout the world in all areas of science and technology.

Honors College

Wallace Kay, Dean

USM Honors College was established to challenge Southern's most intellectual students to achieve their potential and reward their success. An invitation to membership in the Honors College is extended to students by the University Honors Council on the basis of high grades, ACT scores, personal recommendation, interviews and an extemporaneous essay.

Any major offered by the university can be chosen by a Honors College

student. The core curriculum, however, will be replaced by research projects, independent study, and a honors core.

The University and the community benefit from the Honors College through special services such as the University Program Series, which consists of a lecture series, outstanding films, panels, and other informative programs.

The graduate school of Social Work at USM is fully accredited and offers the only MSW degree in the state of Mississippi. The School of Social Work prepares students for service to individuals, families, groups, and communities.

USM offers three separate programs in the department of Social Work and

they are regular, accelerated, and part-time. Students spend a good deal of their time working in social agencies because the curriculum is competency-based and practice oriented.

The USM program is dedicated to training students to help with significant social programs among various groups of people.

Hattiesburg Night Life

After dark a different side of Hattiesburg emerges. Being the typical college town, the setting sun forced academics to take a back seat to the more enjoyable side of college . . . the night life. Of the 115 restaurants, 20 bars, and other assorted "hang outs," there was at least one to suit everyone's taste.

Hardy Street, the Hub City's "main drag," was lined with an array of eating and drinking establishments and speakeasies while other night spots dotted the city. The End Zone and Nicks were spots for the easy-going crowd. They were always favorites for grabbing a beer, shooting pool, or playing backgammon. In addition to a place to gather, Jeramiah's featured live entertainment along with a relaxed atmosphere.

For the dance crowd, Cash McCool's rated a "10." With Millionaire Monday Night, nickel beer on Tuesday, and free beer on Thursday, Cash's never failed to attract a capacity crowd. The bearer of two dollars and a valid I.D. was entitled to a night full of dancing, socializing and good times.

Catering to the urban cowboys of Hattiesburg, Tal's Corral featured the finest in western music, Texas Two-Steppin, and a mechanical bull for the daring. As two of their specialty nights, Cash McCool's went country western on Wednesdays and Fridays.

One hinderance, however, to Hattiesburg's night life was a city ordinance requiring all liquor-selling establishments to shut down by midnight. Nevertheless, a determined good-timer could party 'til early morning hours at numerous private get-togethers.

Dorm Life

Dormitory life is an education in itself. It's learning to be more considerate of others and learning how to take on the responsibilities of everyday life away from home. Now it's your responsibility to set your own hours and wash those clothes that have been in the laundry basket for 3 weeks before they come alive. It's a little like having a three-room apartment that has been compacted into one room. You can lay on your bed and watch T.V. while your dinner is cooking in the popcorn popper on the desk.

Yet, even though there may be hardships in living in a dorm your neighbors become your family away from home. Many life long friends have been made while watching T.V., or running out for a bite to eat in the middle of the night, or loaning you 35¢ for a

coke. Through social events such as dorm swaps, dances and the memorable panty raids you meet other students. Dormitory life in one word can be said is . . . FUN!

On Our Own

For many students, their home away from home isn't a dorm but an apartment, trailer, or house located somewhere off campus. As with all things in life, off-campus living has its advantages and disadvantages. For those who disagree with the restrictions of space, privacy and rules, in the dormitory alternative housing arrangements must be made. It's independence from the hustle and bustle of campus life including meals and confined space.

Problems may arise however, when you're late for class and can't find a parking place. While you have privacy and a certain degree of quietness off-campus, you may also miss some of the action happening on campus. The time spent traveling between apartments and campus may be spent on activities or meeting other students.

Financially, you can live off campus almost as cheaply as you can in the dorm and if privacy and total independence are what you desire then, off-campus living is for you.

Specifics

The 1981 Southerner was printed and bound in Montgomery, Alabama, by Paragon Press, a division of Herff Jones Yearbooks. Bordeaux Special paper stock was used for the 352 pages which includes four multiples of Multicolor Plus and three multiples of spot color backgrounds (one HJ-471 Rust, one HJ-320 Turquoise, one HJ-145 Sienna). All other background colors were achieved through the four-color process.

The cover is antique plum mission grain with a gold metalay University of Southern Mississippi seal. Headlines and subheads throughout the book are 30 point and 14 point Clarendon. Body copy is 10 point melion and caption copy is 8 point. Division pages include pebble grain, enlarged dot, vertical black line, vertical wavy line, and direct line special effects for added dominance.

Gratitude

Photography is the backbone of a yearbook, and this year we were fortunate to have the best photo staff ever. A lot of time and effort was put forward by them to produce the more than 500 candid shots actually in the book and 4 times that many were taken. Since it is impossible to list each photo separately a big thank you is extended to each contributing photographer.

Another group that put in many hours behind a lens was Photo Service. This year saw a record number of students turn out for class shots for a total of more than 4,000. This was a 1,000 more than last year. Photo Service also takes group, beauty, administration, and other various shots. A special thanks goes out to each of them.

Other contributing photographers are listed above.
